

ANDREA POLITTE BIOGRAPHY prepared by SARAH WHITE

Andrea Politte is a 1982 graduate of Herculaneum High School and has graduated at least ten (10) years ago. Her leadership is evident with 30+ years of experience managing, owning, & operating businesses. Her character and achievement (during high school and/or post high school) are witnessed from a range of activities and awards received throughout her life, from winning Homecoming Queen to becoming President and Owner of an important non-profit foundation giving back to her community. She has the suitability as a role model with strong patriotic qualities believing in Honor, Respect, Healing, & Wellness most especially for Military, Veterans, & First Responders. Her career description and notable achievements outlined in this biography make Andrea worthy of induction into the Blackcat Hall of Fame.

Andrea Politte is a patriotic mother of a three-times combat-war-wounded U.S. Marine Corps son with extreme PTSD (Post Traumatic Stress Disorder), TBI (Traumatic Brain Injury), Parkinson's Disease, and other injuries affecting the rest of his life. Her son's dedicated time in service inspired Andrea to create a special place FORE HONOR, RESPECT, HEALING, & WELLNESS that promotes both individual and community health and well-being every day, especially for those who serve and live with PTSD and TBI, and to raise awareness to the community of PTSD and its damaging effects when left untreated. Andrea Politte founded The Fore Honor Foundation in 2014. She is the daughter of a very patriotic father, proud mother 2 amazing sons, her eldest, the combat disabled & now medically retired veteran with PTSD & TBI chronic extreme and other life altering injuries sustained He is the owner of Elite Lawn Scapes. Andrea's youngest son is a talented graphics IT lead, audio engineer & web designer of Elite Web Scapes & Very proud of his older brother and all family who have served. Andrea created Deer Creek USA - Fore Honor Golf & Event Center & Foundation to help provide Healing and Wellness for PTSD for our Veterans and First Responders and to remind us to be grateful and remember ALL who are willing to put their life on the line every day to protect and defend each of us and our freedoms. Her son never completely left Iraq. He brought it home. His lungs are diminished from inhaling helicopter exhaust. He has hearing loss, brain trauma and early signs of Parkinson's from those many harrowing assignments and hard landings. Like so many veterans, he deals with the demons his experience planted, the sight of unspeakable things, the words of dying young men. But duty and honor have been a way of life in the family. Andrea Politte's father, Donald Green, worked on B-52 bombers during the 1950s. Her sister, Gabriel Crocker, worked on guided missiles and also is a disabled veteran.

Andrea is also inspired to help by many additional family and friends who have served during war and non-war times including a sister who is a Disabled Army Sgt Veteran. We are open to the public and invite you to play golf or book events to help us support our Mission and Vision of Honor Respect, Healing and Wellness to help us Honor & Heal those who serve and sacrifice.

After the events of Sept. 11, 2001, Andrea helped raise money for the New York and New Jersey Port Authority and police departments. When Hurricane Irene hit in 2011, she volunteered for the Red Cross, helping victims in New Jersey get food and shelter. She also has worked with Michael Reagan's Fallen Heroes Project. This isn't a talk, this is a walk. "My dad always taught us to respect and honor the flag and what it stands for, to be grateful every day for the people who sacrifice," Politte said.

In 2005 to present, she has been an official national spokesperson and board member for the Fallen Heroes Project, with a mission to honor the American Fallen Heroes for their ultimate sacrifice during the war against terrorism.

Andrea volunteered with Camp Hope from 2007 until 2013. Camp Hope was established in 2007, located 70 miles south of St. Louis in the plush land of Farmington, MO. One hundred and seventy acres of beautiful rolling hills and hardwood ridges made available to veterans for their year round enjoyment, recovery, and well being. Camp Hope is located in an area that has a lot to offer American Veterans.

Andrea Politte wants to make honoring fallen heroes, military veterans and emergency responders an everyday occurrence, a recreational exercise. She is trying to turn Fore Honor Golf & Event Center, formerly Deer Creek USA, into a therapeutic place for those who serve, a place of pride and awareness for those who benefit, a place of honor; and a place to serve those who serve others.

When she saw the golf course she currently operates, a seed planted in the back of her mind blossomed into a vision to make history. She asked the owners to let her purchase the property to create the first all-honors course in history where you honor all those who served, protected and sacrificed, where they can feel at home surrounded by like minds and like

hearts where they can be safe and heal. People in the community can come enjoy the property, play golf and show support to those heroes.

As Politte puts it, "What better connection than to be playing golf on a course that honors those who make it possible, to remind you the reason you're here is because somebody's got your back?"

She took ownership on Dec. 30, 2013, with big plans that call for big efforts. She wants each tee box to pay tribute to a different branch of the military and emergency responders. She wants to put commemorative statuary and patriotic presentations throughout the property. She wants to dedicate space in the expansive clubhouse to therapeutic and wellness services for those who served.

Politte — all 5-feet-1½, 105 pounds of her — has not given up on her honors course, either. But she needs help. She needs support from the community, sponsorships, capital, investors. She needs others to embrace the spirit of her endeavor. She has started the Fore Honors Foundation, not only to support her concept, but to support other organizations providing discounted services, activities and programs for those affected by post-traumatic stress disorder and traumatic brain injury.

Her foundation recently was granted not-for-profit status, so donations can be tax exempt. For the last 4 years, Andrea has never charged veterans or first-responders greens fees. Currently, Politte has to charge a cart fee because she is leasing the carts. She has awarded \$70,000 over the last 4 years in free green fees to Honor Members, all who are Military, Veterans, or First Responders.

Politte has had support from family and friends, people who have donated time and skills to make improvements, to help with services. She can only afford a paid staff of four. The needs still easily exceed the haves.

She has not had a paycheck since she started. She has exhausted her savings in equipment and materials. All she has left is her car, her irrepressible energy and her unshakeable faith. She's not about to stand down. "If those who have served can put their lives on the line, I can put my savings on the line," Politte said. "I'm dedicated to the mission, just like they are. I have to work in faith. I have to do what I feel I'm supposed to be doing. This is supposed to be." It's about duty. It's about honor.

Since founding the Non-Profit Fore Honor Foundation in 2014, Andrea has successfully built reputations with and collaborated with the following like-minded persons and organizations with fundraising efforts and both on-site/off-site fairs or events to benefit Military, Veterans & First Emergency Responders: AMVETS Post 42 Annual Weekly League, Combat Veterans Motorcycle Association Annual Meetings and Christmas Party, Camp Hope Fundraising Tournaments with Image Realty, MOVE-UP, St. Louis Veterans Center Access Point Office Fundraising Events and Donated Office Space, VFW District 8 - H.O.P.E. Helping Our Patriots Engage Veterans Fair, POW MIA National Recognition Day Event, High Ridge Fire Department Annual Backstoppers Tournament, High Ridge Eagles Fore Honor Foundation Benefit Tournament, Byrnes Mill Police Department Annual Shop with a Cop Program, High Ridge VFW Post 6516 Annual Fundraising Tournament, High Ridge Fire Department Annual Basket Dance Christmas Party, and the Joe Bone Annual Fore Honor Benefit Tournament.

Prior to her current endeavor, Andrea Politte graduated from Herculaneum High School in 1982. During high school she tried to participate in as many sports and extra-curricular activities as she could, including but not limited to: volleyball 1 year, basketball 3 years, track and field, and cross country for 3 years. Her cross country team was the start of the first girls team for her school. She was nominated and won Homecoming Queen in 1981 for the '81-'82 school year. She was a participant of the Thesbian Club, as well FBLA (Future Business Leaders of America).

Beyond high school, Andrea continued her education obtaining extensive hair and make-up training through various institutions including: consultive selling both National and International learning superlative on-going education; training by Leland Hirsch and Jamie Mazzie for MSS and Bio Elements in Illinois to learn advance skin care and make-up techniques; Tressalure hair extension training in Chicago, IL; Exsalonce Business Bootcamp by Michael Cole in St. Louis, MO learning specialized training of business operations, marketing and success strategy implementation and communication awareness; Rusk National by Irving Rusk in St. Louis, MO learning specialty hair/image care, core business and client relationship development; Xenon's Advanced Academy in Colorado training for communication, business and marketing, and specialty image techniques; Redken Business in Maui, HI by Hedi Marie Rathke training for Redken skilled specialty performance and PK knowledge; Farouk Global in Las Vegas, NV by Karouk Shami teaching business excellence, product performance and creating trends; Redken World Symposium in Las Vegas, NV by many world class educators teaching all facets of image,

fashion and salon / spa industry business; MSS in Beverly Hills, CA training for Alterna Hair Care specialized product knowledge and trend looks; Martin Parsons in Iowa specializing in hair; Temptu in Chicago, IL specializing in air brush make-up; P.A.T.S. Certification Course in Des Moines, IA by Kenny Chaplin for Production Assistant Training; Billy Blanks Professional Make-up Course in Chicago, IL by Billy Blanks for Professional Make-up; and SP FX Training by Shelly Banks teaching special effects make-up.

Andrea worked very hard through-out her artistry profession building a successful business as a hair and makeup specialist of over 30 years and learned that achievement in ones career do not happen without the love and support of her family, friends, fellow colleagues and clients. She worked **Features, Film, Television, HD & RED, Print, Media, Music, Celebrity, High profile and Political** & a multitude of events in between needing Hair, Make-up and or energy artistry services for Local clients and events, to National and International Major Networks and Businesses, from Billboards to Red Carpets, and T.V. to the Big Screen. She earned 30+ years of Professional Experience, Licensed, Awards, Covers, Key Credits, Specialized Certifications in Creative Artistry, Hair Color, Air brushing, SP FX, Glamour and Natural Beauty, Lace, Tattoos, Prosthetics, as well as Superlative Communications, Energy Work, Entrepreneurial Business Operations, and Motivational Marketing. She worked on movie and television sets, commercial shoots, and political campaigns. She worked with Leonardo DiCaprio, Blake Shelton and politicians like a young Illinois senator named Barack Obama. Her last client was Donald Trump. (<http://www.andreapolitte.com>)

Andrea has originally designed, owned and operated successful 2-13 chair salon businesses, owned and operated multiple locations in the Salon distribution industry complete with storefront showrooms, education, warehousing and shipping centers, traveled throughout the US and Canada educating for multiple make-up and hair manufacturers teaching creative application, as well as communication and business development coaching, sales and marketing consultant, event co-coordinating and directing. After selling salons and companies she worked primarily with VIP celebrity in the film, television, commercial, media, print, music and entertainment industry events and enjoyed it immensely.

Andrea has been blessed with many years of enjoyed opportunities and knows many more are yet to be. Andrea has had years filled with the amazing, to the not-so amazing, and had to learn to earn. Still does and will continue to, just as we all do, to grow forward. From the beginning basic days assisting, evolving to Key titles, Department Lead, and business management. Andrea is grateful for it all, and everyone who's been a part, no one advances without the help of others.

Her extensive business history prior to the golf course includes: Owner and Master Design Specialist of Reflections Hair Studio from 1983 to 1992; Owner and Master Design Specialist of Jaze Hair Effects Studio from 1992 to 1999; President of Sales and Marketing of Jaze, Inc. from 1991 to 2004; Administration Director of Showroom and Shipping Center from 1995 to 2004; Owner and Operator of Beauty Supply Distributorship from 1995 to 2004; Vice President of ZEP, Inc. From 2004 to present day, Andrea operates as President of her self-established company All About You, Inc.

Andrea has earned a variety of [Hair and Make Up Awards](#) including: Addy Awards 08 For Top winning projects in Print, Commercials, and Internet., 2008, Key Makeup and Hair on multiple Commercials winning Silver and Gold Addy Awards; Addy Awards 07 For Top winning projects in Print, Commercials, and Internet., 2007, Key Makeup and Hair on multiple Commercials winning Silver and Gold Addy Awards; and Addy Awards 06 For Top winning projects in Print, Commercials, and Internet., 2006, Key Makeup and Hair on multiple Commercials winning Silver and Gold Addy Awards.

When you meet and work with Andrea, you can't help but notice her passion, talent and bright energy. She enjoys people and has a gift in communication. She takes pride in her work, and has trained and continues to study with mentors and global masters when possible in life, her artistry and marketing industries to consistently exceed expectations every time. Andrea is no stranger to hard work, long hours and the importance of being timely, responsible, respectful and resourceful. Working as a team member or independently, she has a can-do attitude and ability. She loves to travel as she has extensively in the past and knows that she will again when she hits the road to share her Mission and Vision across the globe to raise awareness for PTSD & TBI, and to always recognize our nation's heroes with Honor, Respect, Healing, and Wellness.

During previous years of experience, Andrea created an exclusive massage, semi-precious gem stone therapy, and color-chroma therapy energy experience. She also studied all over the country for EFT Emotional Freedom Tapping Techniques for PTSD Healing & Wellness. She understands the blend of energy, unique manipulation techniques, music, and aromatherapy for proper healing with massage artistry techniques being specific to clients needs. For many clients, Andrea's Massage Artistry had the ability to create relaxation, increase energy flow, stress reduction, breathing and balancing, vocal chords relaxation, sinus pressure and headache relief, athletic overexertion pain relief, or reflexology.
