

# FORE HONOR GOLF & EVENT CENTER

The beautiful 90-acre Golf Course is a challenging 18-hole, par 71 course nestled in 200 acres of wooded hills. Currently, the Fore Honor Golf Course is the first of its kind to offer free Honor Memberships to all Military, Veterans, and First Responders. From 2014-2018, the golf course has proudly awarded over \$86,000 in free daily green fee Honor Membership Golf Rounds!

The course will become a place of remembrance, an Honor Park, where each guest can appreciate the life-size statuary and monuments abounding each tee box and green. When they swing their club, they will know that they are able to swing that club because someone else had their back.

Wellness is offered to our deserving clients through Eco-therapy golf as they experience the natural healing that nature and activity provide to them when they golf in this special place of remembrance and wellness.

Start an Unforgettable Tradition. Create a unique golf experience reflecting a mission to honor U.S. Veterans. These American Heroes and their families will find that the Fore Honor Golf & Event Center is focusing on and working every day to create a place of tranquility, healing, and spiritual wellness.

*"We believe that while giving Honor and Respect... We provide Hope, and where there is Hope... There can be Healing." - Andrea Politte, President/Owner*

**Non-Profit 501(c)3**  
**Fore Honor Foundation**

**Founded by Andrea Politte**, the patriotic mother of a three-times combat-war-wounded U.S. Marine Corps son with extreme PTSD (Post Traumatic Stress Disorder), TBI (Traumatic Brain Injury), Parkinson's Disease, and other injuries affecting the rest of his life. Her son's dedicated service inspired Andrea to create a special place **FORE HONOR, RESPECT, HEALING, & WELLNESS** that promotes both individual and community health and well-being every day, especially for those who serve and live with PTSD and TBI, and to raise awareness to the community of PTSD and its damaging effects when left untreated. All volunteers, grants, sponsorships, funding, and donations: monetary, skilled trade services, time, in kind and auction items are appreciated. All events and tournaments hosted proceed to assist the Fore Honor Foundation in this Mission and Vision of Honor, Respect, Healing, and Wellness for our deserving Military, Veterans, First Responders, their Families, and the Community. Please visit us online for more information on the Program Description and Goals.
