Fore Honor Foundation

Founded by Andrea Politte, the patriotic mother of a three-times combat-war-wounded U.S. Marine Corps son with extreme PTSD (Post Traumatic Stress Disorder), TBI (Traumatic Brain Injury), Parkinson's Disease, and other injuries affecting the rest of his life. Her son's dedicated service inspired Andrea to create a special place **FORE HONOR, RESPECT, HEALING, & WELLNESS** that promotes both individual and community health and well-being every day, especially for those who serve and live with PTS(D) and TBI, and to raise awareness to the community of PTS(D) and its damaging effects when left untreated. All volunteers, grants, sponsorships, funding, and donations: monetary, skilled trade services, time, in kind and auction items are appreciated. All events and tournaments hosted proceed to assist the Fore Honor Foundation in this Mission and Vision of Honor, Respect, Healing, and Wellness for our deserving Military, Veterans, First Responders, their Families, and the Community. Please visit us online for more information on the Program Description and Goals.

FORE HONOR GOLF & EVENT CENTER

The beautiful 90-acre Golf Course is a challenging 18-hole, par 71 course nestled in 200 acres of wooded hills in the foothills of the Ozark Mountain Range. It is the first of its kind to offer free Honor Memberships to all Military, Veterans, and First Responders.

From humble beginnings in Dec '13 to current, Fore Honor has proudly given a value of over \$400,000 in Honor Credits, Awards, and Donations back to the community. These milestones are possible because of our appreciated community support.

This course is a place of Honor, Gratitude, Healing, & Wellness. Future plans include creating an Honor-themed golf course, reminding all to remember that the reason they can be out swinging their club is because someone has their back.

Fore Honor is full of natural abundant beauty. Whether golfing, dining, or attending events, we provide an eco-therapeutic healing and wellness experience for all of our appreciated guests.

Whether you are an Honor Member or a Friend of the Fore Honor Foundation Member, you will enjoy a wonderful experience at Fore Honor.

MISSION & VISION

With Honor & Respect, our Mission and Vision is to recognize and to serve those who serve us, to raise awareness on how real PTS(D) & TBI can be and to help prevent and assist with the ongoing negative affects including tragic suicides. We want to offer assistance, resources, services, counseling, wellness programs, and activities for Healing & Wellness.

Please visit our website to learn more about our program goals and how you can help!

Start an unforgettable tradition where all proceeds support our Mission & Vision of Honor, Respect, Healing, & Wellness for all who Serve, Protect, Defend & Sacrifice: our Military, Veterans, & First Responders, their Families, and the Community.

These American Heroes and their families will find that the Fore Honor Golf & Event Center is focusing on and working every day to create a place of tranquility, healing, and spiritual wellness.

**"We believe that while giving Honor and Respect...
We provide Hope, and where there is Hope...
There can be Healing."**

- Andrea Politte, Visionary/Owner
